RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

The Country and Western Performance Dance Team is a standalone extra-curricular activity. The team guidelines are unique to team members and provide a necessary framework to aid in developing and maintaining a successful dance team. The guidelines are intended to ensure consistent and appropriate application of team expectations and standards. Any interpretation of these guidelines that works to undermine or circumvent the purpose and intention of the guidelines will be rejected.

PHILOSOPHY

The Country and Western Performance Dance Team is comprised of a group of high school students who are chosen through organized, competitive tryouts. The goal of instructional and performance activities is to enhance each individual member's skills and development, resulting in a highly skilled performance group. Emphasis on sound teaching and learning principles is comparable to that of any other instructional setting.

Each team member must be aware of the time commitment and the individual dedication required of each member of the dance team. Dance team members will demonstrate good citizenship and high moral standards and assume responsibility for developing school spirit. Members shall set a positive example for other students through being responsible for their actions and demonstrating appropriate conduct. Dance team must be a first priority for team members after academics.

GENERAL INFORMATION

Country and Western Dance Team is a course offered during the school day for which physical education or fine arts credit is granted as stipulated in the Richardson Independent School District's Program of Studies and Course Descriptions.

Each school team shall develop a constitution, approved by the principal, to cover procedures specific to that campus that are not specified in the district guidelines. The campus constitutions shall not conflict with or contradict any portion of the district guidelines. In the event of a conflict, the district guidelines will be followed. A required annual meeting with campus directors will be arranged by the office of Student Services to ensure

the district guidelines are reviewed and updated as needed.

ELIGIBILITY - TRYOUTS

ENROLLMENT

To be eligible for tryouts, a dance team candidate must be enrolled as a student in the Richardson Independent School District. Any student who was not enrolled and actually in attendance at the beginning of the school year at the RISD school where he or she desires to tryout must:

- Otherwise meet the minimum eligibility criteria; and
- If a newly enrolled student, must be enrolled and in attendance in classes in the RISD school fifteen (15) calendar days prior to the tryout.

ACADEMIC REQUIREMENTS

Students must have passed all subjects* with a minimum grade of 70 the preceding six-week grading period and have at least a 90 average grade in Individual and Civic Responsibility to participate in any of the out-of-school workshops. Tryouts for students who have failed one or more courses are limited to one-day participation before the judges.

*EXCEPTION: Courses that the Board of Trustees has approved in the current school year for an exemption from the No-Pass, No-Play restrictions, including approved Pre-AP or AP courses, are exempt from the academic grade requirement described above. The individual's grade for Individual and Civic Responsibility from exempt courses will be counted in the average for purposes of determining the student's six-week Individual and Civic Responsibility grade.

CREDITS

Dance team members must be on target to graduate with and must have earned the minimum designated number of credits in state-approved courses towards graduation by the beginning of the school year: tenth grade – at least 5.0 credits; eleventh grade – at least 10.0 credits; twelfth grade – at least 15.0 credits.

PERMISSION SLIPS

All candidates must complete and turn in required permission slips prior to participation in any tryout activities.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

ORIENTATION MEETING

All candidates must attend a scheduled orientation meeting accompanied by a parent/guardian prior to the beginning of the tryout workshops. All candidates will be advised in writing of requirements, duties, responsibilities of dance team members, and consequences of rules violations prior to tryouts. All parents and students will have an opportunity to discuss concerns and questions with the director and/or principal prior to completing and signing the agreement form in which the parent and student confirm their understanding and willingness to comply with all applicable rules as a condition of participation in the dance team.

TRYOUT PROCESS

- Workshops and audition dates will be scheduled by the school.
- Tryouts before the judges will be held on one day.
- The number of workshops will be at the director's discretion.
- Eligible candidates must try out in person in front of the judges, unless an alternate tryout method is approved or a reasonable accommodation for an otherwise qualified student with a disability.
- A student may participate in the dance team tryout process at only one RISD school per school year.

CRITERIA FOR JUDGING

Tryouts for team membership will be closed to parents and the public. Only authorized persons may be present in the tryout room. Candidates will tryout in groups not to exceed six students. Each candidate will be scored independently by each judge.

Callbacks will generally be at the judges' discretion; however, if unusually large discrepancies (as defined by each school's constitution) between one judge's score and the other two judges' scores exist, the administrator monitoring the tryouts may request a callback. The judges scores will be averaged to obtain a single score of each candidate.

The categories used in judging may include any or all of the following:

- Technique
- Memory
- Showmanship

JUDGES AND SCORING

- Candidates for the Country and Western dance team will be judged by two to four qualified judges.
- An effort will be made to secure impartial judges who are not acquainted with any candidate. An individual who has attended any RISD high school during the four years prior to the school year in which tryouts take place may not serve as a judge.
- Immediately after scoring, the judges' score sheets will be turned over to a school administrator who will maintain the scores in accordance with the applicable records retention requirements.
- A candidate's scores and score sheets constitute confidential student information and score sheets will not be available for review by the candidate's parent or legal guardian until the week following the tryout announcements. A parent/guardian may request to view only the scores for his or her student. A request must be in writing to the assistant principal. The sponsor is not authorized to release the information.
- The list of candidates selected as dance team members normally will be posted within twenty-four hours after tryouts.

MEMBERSHIP

RISD District Guidelines do not specify a certain number of members for any school; however, the number will not exceed forty members and up to six officers (46). Ideally, a team should have a minimum of twenty-four members. The principal will determine the final number of members. Selection of officers and partners will be at the sole discretion of the director. To maintain membership in the Country and Western Dance Team after selection, a student must meet the requirements as outlined in these guidelines.

Once the campus principal determines the number of team members for the school year, students will

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

be selected based on their scores beginning with the highest score for each gender until the requisite number of candidates is selected.

In the event of an illness or an injury that prevents a member from participating on the team, the next available student from the try-outs may be brought up at the discretion of the sponsor.

APPOINTMENT PERIOD AND PERPETUATION

Selection for membership on the dance team is for one dance team school year only which runs from the date of selection through the date on which the next team is selected. Students are not “guaranteed” a spot on the team from year to year and must try out each year if they wish to remain on the team. *Exception:* Students who have been selected for membership the previous two years before their senior year (for their sophomore and junior years) may or are may not be required to try out for membership for their senior year. This will be at the discretion of the sponsor.

SAFETY & CONDITIONING STANDARDS

Safe practices and adequate conditioning are of paramount importance for each dance team and are vital to efficient athletic performance. A warm up period with stretching and flexibility exercises is required and important to reduce injuries. Students who sustain injuries are encouraged to seek proper medical attention. No student will knowingly be subjected to any unsafe situation.

SUMMER ACTIVITIES

- Official summer practice may begin no earlier than three weeks prior to the opening day of school. The amount of time spent in summer practice shall not exceed a total of forty-five hours in any one-week period (Monday through Saturday), and no more than six hours in any one-day. Sunday practices are prohibited.
- No required summer practices will be allowed for a minimum of six continuous weeks during the summer. During that six-week period, the school, director, coach, or students cannot organize any practice, formal or informal. Each

school may designate the six-week period in which practice will not occur.

- The dance team director or a qualified adult designated by the dance team director will supervise all required dance team practices from start to finish. At no time may dance team members be left unsupervised during a scheduled practice.
- Unscheduled or informal practices of the team and not allowed.

PRACTICES

- Fall practice and performance outside the school day may begin no sooner than three weeks before the first day of school and will end no later than on the last day of the performance season.
- The principal must approve all practice times.
- Members must attend practice sessions as instructed by the director.
- Practice time outside the regular school day will be limited to a total of eight hours per school week. The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays.
- Morning practice for Country Western Dance Team can start no earlier than two hours before the first bell of the school day and cannot exceed the eight-hour rule during the school week, regardless of start time.
- No practices may exceed a maximum of 2 ½ hours.
- No more than two practices per day, including class time, are permitted.
- Sunday practices are prohibited.
- A maximum total of twenty hours per week participation in contests and/or practices, including Saturday, will be permitted.
- All required practices will be supervised by the director or an authorized adult designated by the director from start to finish. At no time may team members be left unsupervised during a scheduled practice.
- Unscheduled or informal practices of the team are not allowed.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

PERFORMANCES

- The dance team director, in cooperation with the principal, will determine the minimum number of team members for a performance.
- Dance team members may not perform at any activity unless the director or an appropriate school official is designated to oversee the activity and is present at all times during the performance.
- Attendance at all performances is an important expectation for all team members.
- Any member who is absent from a performance for any reason other than personal illness, religious holiday, or a death in the immediate family, without at least two weeks prior approval of the director, is subject to disciplinary consequences under the school's constitution.

TRANSPORTATION

The school district will not provide transportation for dance team members for performances, practices, or special events.

ATTENDANCE

Prompt and regular attendance at all practices and team activities is essential to a high functioning organization. Absences and tardiness will be handled consistently with school policy. However, subject to principal approval, the director reserves the right to remove a member from the program for excessive absences and tardiness. A member who is truant from one performance will be placed on probation. A member who is truant from a second performance will be removed from the team.

MAINTAINING ELIGIBILITY

CREDITS

At the beginning of the school year, dance team members must have earned the designated number of credits in state-approved courses towards graduation at the scheduled time: 10th grade – at least 5.0 credits; 11th grade – at least 10.0 credits; 12th grade year – at least 15.0 credits. Failure to obtain the required number of credits will result in automatic dismissal from the team.

GRADES

Dance team members must maintain a minimum grade average of 70 in all classes.*

*EXCEPTION: Courses that the Board of Trustees has approved in the current school year for an exemption from the No-Pass, No-Play restrictions, including approved Pre-AP or AP courses, are exempt from the academic grade requirement described above. The individual's grade for Individual and Civic Responsibility from exempt courses will be counted in the average for purposes of determining the student's six-week Individual and Civic Responsibility grade.

INDIVIDUAL AND CIVIC RESPONSIBILITY

All students must maintain an Individual and Civic Responsibility grade average of 90 for the previous six-week grading period. Individual and Civic Responsibility grades in all courses, including exempt courses, will be averaged together (A = 95, B = 85, C = 75, and F = 65).

A member who fails to meet the eligibility criteria listed in this section may be subject to probation or other consequence. Refer to "Probation" under "Conduct and Probationary Procedures" for more details.

Dance team members must enroll in a fall semester dance team course offered during the school day for which physical education or fine arts credit is granted. The course enrollment obligation lasts the entire school year even if the student leaves the team.

Students must meet performance requirements as listed in page 5 under (Performances).

CONTINUOUS MEMBERSHIP

Continuous enrollment during the school year is an additional requirement to remain eligible for dance team membership. A student who breaks enrollment for any reason forfeits membership on the dance team that school year. Upon reenrollment during the same school year, a request for reinstatement will be considered by the director in consultation with the campus principal. If reinstatement is granted, conditions of reinstatement may be imposed.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

PROBATION AND REMOVAL

Participation in dance team and other extracurricular activities is a privilege. Certain standards are necessary to maintain the integrity and reputation of any organization. Team members represent the school and district at all times. Each member must conduct him or herself in an exemplary manner at all times, whether during school, at a performance, or during leisure and social activities. The behavior, character, and personal appearance of each member should set a positive example for others at all times. In addition to expected adherence to other conduct and behavioral expectations established for the team, members (i) should never be in possession of or using alcohol, tobacco products, or drugs, (ii) be seen using or in possession of such items or substances, or (iii) engaging in any unlawful or prohibited activity. Students who fail to meet expected standards of conduct and behavior will be subject to disciplinary consequences, which could include probation, suspension, or removal from the team.

Refer also to the RISD *District-Wide Guidelines for Extracurricular Students: Alcohol & Illegal Drugs* for a detailed description of the consequences for alcohol and illegal possession, use, etc.

Each high school may develop local rules and expectations for dance members and may establish disciplinary consequences for violations of those rules and expectations. In the event of any conflict with the local rules/expectations and these guidelines, the district guidelines will prevail.

Probation – If the length of the probation is not specified in these guidelines for a particular disciplinary infraction, the campus principal, in consultation with the director will determine the conditions and length of the probationary period.

Failure to Demonstrate Expected Behavior and Conduct (Disciplinary Probation)

Specific Infractions:

- ISS: Violations of the RISD *Student Code of Conduct* for which a member is assigned to In-School Suspension (ISS) will result in a two-week probation.

 - Publication or dissemination via print or electronic media of a lewd or sexually suggestive picture or a picture of the member engaging in inappropriate or illegal activities will result in a two-week probation.
 - Assignment of a second period of probation (either disciplinary or academic) for any reason during the same school year may result in a four-week probation or may result in removal, depending upon the circumstances.
 - Repeated violations of the school and/or dance team constitution policies and procedures.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

exceed the required minimum grade (refer to Maintaining Eligibility Section) will be given a seven-day grace period to improve his/her grade average. If the student elevates his/her grade average to 70 or above during the grace period, probation will not be assigned. A student who is unable to raise his/her grade average to the minimum required grade by the end of the grace period will be placed on academic probation. During academic probation, the director will review the student's course grade averages two weeks following the date on which the probation began (the third week of the six-week grading period). If the student is passing all courses, excepting any exempt courses, on the last class day of the third week of the six-week grading period, he/she may be reinstated effective at the end of the regular school day seven calendar days later. (Refer to the UIL/RISD Eligibility Calendar)

- Individual and Civic Responsibility Grades. A dance team member whose recorded six-week grade average for all Individual and Civic Responsibility grades (including exempt courses) does not meet the minimum required average (refer to Maintaining Eligibility Section) will be given a seven-day grace period to improve his/her grade average. If the student elevates his/her grade average to 90 or above during the grace period, probation will not be assigned. A student who is unable to raise his/her Individual and Civic Responsibility grade average to the minimum required grade by the end of the grace period will be placed on academic probation. During academic probation, the director will review the student's Individual and Civic Responsibility grade average two weeks following the date on which the probation began (the third week of the six-week grading period). If the student has achieved an Individual and Civic Responsibility grade average of 90 for all courses, including exempt courses, on the last class day of the third week of the six-week grading period, he/she may be reinstated effective at the end of the regular school day seven calendar days later.

- Dropping a Course. A dance team member who drops a course after the end of the fourth six-week grading period and whose course grade average is lower than a 70 at the time the course is dropped will be placed on academic probation resulting in the loss of eligibility for the next six-week grading period. A student who drops an exempt course does not lose eligibility unless the drop affects the student's full-time enrollment status or causes the student's course load to fall below the requisite number. (Secondary students must carry a requisite number of courses to maintain full-time status and meet course load requirements.)

- Conditions of Academic Probation. During academic probation, a dance team member:
 - Must attend class, work periods, and all practices and performances as scheduled during the probation unless specifically excused by the director;

Removal

A student may be removed from the dance team for serious or persistent misconduct that violates school rules, team rules, these guidelines, and/or the *Student Code of Conduct*. The conduct listed herein for which removal may occur is not complete and is intended to provide examples of only some of the reasons for which a team member may be removed. Serious misconduct and illegal actions may result in immediate and permanent removal from the team.

- Conduct for which a student may be removed from the team :
 - Being observed by a staff member engaging in sexual or lewd acts on or off school property;

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

- Being arrested for any illegal activity (excluding minor traffic violations) on or off school property;
- Using, possessing, selling, furnishing to another, or being under the influence of illegal drugs or alcohol (Refer to the *District-Wide Guidelines for Extracurricular Students: Alcohol & Illegal Drugs*);
- Receiving a second failing grade in any subsequent six-week grading period;
- Receiving a second probation for any reason;
- Unless the removal was categorized as permanent at the time of removal, a student who is removed from the team may tryout to participate the following school year under the same conditions that any other student may try out.

Procedures for Probation and Removal

- Before a dance team member is placed on probation or removed from the team, the director will notify the student in writing of the reason(s) for the proposed action.
- The director and campus principal (where appropriate) will offer to meet with the student and parent to provide the student the opportunity to discuss the proposed action and present information about his/her situation.
- The meeting should occur promptly following the conduct giving rise to the probation or removal and a student/parent may not avoid the action by refusing to meet with director and principal. A student/parent who refuses to cooperate with the school in promptly scheduling a meeting waives the opportunity to meet with the principal and sponsor before the disciplinary action is made effective.
- Following the meeting, the director, in consultation with the principal, will assign an appropriate disciplinary consequence.
- A student or parent who is not satisfied.

FINANCIAL COMMITMENTS

All anticipated costs for dance team membership will be discussed at the student/parent orientation meetings prior to tryouts.

REQUIRED EXPENDITURES

Required expenditures for dance team shall not exceed \$475 per member per dance team school year.

OPTIONAL EXPENDITURES

Expenses for trips, pictures, summer camp, and social events are considered optional, as students are not required to participate and a student's decision not to participate will not result in any adverse consequences.

FUNDRAISING

Country and Western Dance Team organizations and their parent booster groups may conduct fundraising events in accordance with the RISD and campus policies and guidelines. Funds may be used to pay for a recognition banquet for members, team uniform shirts, and to assist team members and/or the team to purchase additional items necessary for special events. Policy References: FJ (Local) and GKB (Legal).

AWARDS AND GIFTS

- Team awards will be determined by the director and approved by the principal.
- If a student chooses to give gifts to other students or district employees, those gifts should only be an expression of appreciation, rather than a gift of significant monetary value. Expenditures by each student for gifts shall not exceed \$25 per year (all gifts).

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

UNIFORMS

- Country and Western Dance Team members must wear uniforms as designated by the director.
- The team will furnish shirts used in public performances. All items issued by the school district must be returned in good condition with normal wear and tear excepted.
- The student will provide personal items such as socks, boots, hats, belts, jeans, etc.
- A record will be kept of all uniforms and equipment issued to members.
- A dance team member will be assessed the replacement cost of items not returned, items with excessive abuse, and/or items that might be unusable or destroyed due to improper use.

TRIPS

Country and Western Dance teams may take an approved out-of-state trip no more than once every two years. Trips will not be mandatory for any member and the member's status on the team will not be negatively affected in any way if he or she chooses not to participate in trip. RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

RISD District-Wide High School Guidelines for Extracurricular Students: Alcohol & Illegal Drugs (Revised July 2012)

RISD expects that all students, including students who participate in any Extracurricular Activities (Extracurricular Students) will conduct themselves at all times in an exemplary manner that brings honor to the District, their school, and themselves. Participation in extracurricular activities is a privilege and is conditioned on the student's compliance with all rules and regulations of the activity and District policies and guidelines, including these guidelines. The use, possession, sale, or furnishing to others of alcohol or drugs of any kind is strictly prohibited (the Prohibition). Any student who violates the Prohibition is not in compliance with the rules of participation and will be subject to disciplinary measures, which could result in removal from the extracurricular activities in which the student participates.

These guidelines and statement of consequences apply to all extracurricular activities sponsored by the Richardson Independent School District and to all Extracurricular Students. The purpose of these guidelines is to deter and eliminate any use, possession, sale, or the furnishing to others of alcohol or other drugs, help students avoid drug and alcohol use, establish consistency in consequences across all activities for students who do not comply with the Prohibition, promote a high quality educational experience in all activities and assist RISD in maintaining order and a safe learning environment, and to promote a high level of civic and individual responsibility among students.

Extracurricular students are subject to these guidelines at all times throughout the twelve-month calendar year, whether the extracurricular activity is "in season" or inactive and on weekends and during school holidays. Refer also to Board Policy FO (Local). Students transitioning from eighth to ninth grade who, during the summer, engage in conduct that violates the Prohibition will be subject to the High School Guidelines.

To ensure consistency among activities, these guidelines shall be used by all extracurricular groups. However, nothing in these guidelines

prohibits an extracurricular activity sponsor from developing activity guidelines and rules to address topics other than alcohol or illegal drug activities.

The following definitions will apply to these guidelines:

- Leadership Position- A position or office an Extracurricular Student holds in an organization or group either by election or appointment. Such positions may include without limitation: captain, officer, squad leader, drum major, section chair.
- Parent- A student's biological or adoptive parent or parents, legal guardian, or other person in lawful control of the student.
- Period of removal- Period of time during which an Extracurricular Student is excluded from any participation in an extracurricular activity due to violation of the Prohibition. During a period of removal, an Extracurricular Student may not wear his/her uniform, travel with the team or organization, or otherwise act as a representative of the team or organization.
- Prescription Drugs- A drug authorized by a licensed physician specifically for that student. A student who uses a prescription drug in a manner prescribed by the student's physician and who has followed school policies in such use shall not be considered to have violated this policy.
- Possession- To have an item in or on one's personal being or property, including without limitation, clothing, purse, backpack, private vehicle, motorcycle or bicycle used for transportation to or from school or school-related events, telecommunication or electronic device, or other property used by the student such as a desk, locker, or cubby-hole.
- Use (Alcohol/Substance) - Voluntarily introducing into one's body, by any means, a prohibited substance. For example, and without limitation, consuming or ingesting alcohol in any manner is "use" of alcohol; smoking or ingesting marijuana, an unlawful derivative or look-alike of marijuana, or other illegal substances is "use" of marijuana or other illegal substance.
- Extracurricular Activities- School sponsored activities including but not limited to Dance &

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

Drill Teams, Bell Guards, Cheerleaders, Spirit Groups, Sports, Fine Arts, Clubs, UIL governed Activities, Mock Trial, AC DEC, and other school sponsored student activities unique to a campus.

An Extracurricular Student violates the Prohibition if he or she:

- Uses, possesses, sells, or furnishes alcohol or illegal substances to another;;
- Receives an MIP (Minor in Possession), MIC (Consumption of Alcohol by a Minor), DWI (Driving While Intoxicated), DUI (Driving Under the Influence of an Illegal Substance), or other citation for the illegal use or possession of alcohol/drugs, or furnishing alcohol/drugs to another in a non-school setting;
- Is observed by a faculty or staff member using, possessing, or furnishing to another student any drugs, including alcohol, on or off school property (observation via internet site, video, still picture, or other media will be considered);
- Receives any citation for or is arrested for illegal alcohol/drug activity or substance on or off school property;
- Performs or participates in an extracurricular activity while under the influence of alcohol or other drugs.

An Extracurricular Student who receives an MIP, MIC, DUI, DWI, or other alcohol/drug citation shall promptly notify the activity sponsor. An Extracurricular Student who fails to do so may be subject to further disciplinary action once the activity sponsor or administrator learns of the offense.

Process: When an activity sponsor or campus administrator learns that an Extracurricular Student has violated the Prohibition, the sponsor or administrator will attempt to gather as much information as is available about the suspected violation and shall immediately communicate with the student and his/her parent to review the information. The sponsor or administrator will take reasonable steps to ensure the student and his/her parents are notified of the suspected violation of the Prohibition and to offer the student and his/her parent a meeting with the administrator and/or sponsor and give them an opportunity to provide information about the student's suspected actions. Parents and/or

students who refuse to promptly meet with the sponsor or administrator forfeit their opportunity for a conference. The administrator or sponsor will determine the start date for the consequence and will notify the student and his/her parent in writing of the start date and reasons for any consequences imposed.

When a student self-reports a violation of these guidelines that does not result in the issuance of a citation or other penalty from law enforcement before the District otherwise learns of the student's actions, the District may, in its sole discretion, consider the student's self-report as a mitigating factor to support a reduced probationary period for a first offense.

A student or parent who is not satisfied with the outcome of the conference or the principal's decision may appeal the decision through the District's Student and Parent Complaint Policy (FNG (Local)), but the consequence will not be delayed during any appeal. Copies of the policy are available on the District's website or may be obtained from the school.

CONSEQUENCES

All Extracurricular Students are expected to comply with these guidelines. An Extracurricular Student who does not do so is subject to disciplinary action. While some offenses may be so severe that they will result in immediate removal from the extracurricular activity and/or Disciplinary Alternative Education Program (DAEP) placement, where appropriate, the District will consider allowing a student who violates the Prohibition to serve a last chance probationary period if the violation is the first instance in which the student has failed to comply with these guidelines.

First Offense: Probationary Removal. Except where the severity or circumstance of a student's offense is so severe that immediate removal to DAEP or expulsion is required, a student's first violation of the Prohibition will result in the Extracurricular Student's (i) removal for the remainder of the school year from all leadership positions he or she holds, including any such positions that the student might seek or be appointed to later in the school year; and (ii) except where the first violation also results in DAEP placement or expulsion, removal from all extracurricular activities for 20 school days or UIL Competition dates. (*See below.)

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

- The 20 school days or UIL Competition dates removal period start at the parent /student / principal conference. If the parent/student forfeits the conference, the principal will determine the start date;
- During the 20-day removal period, the student and the parent must attend and successfully complete the RISD alcohol / drug educational program. Students may be required to have follow-up sessions with the Intervention Specialist on campus. The student is responsible for all fees associated with the program. A student and parent must complete the educational program before the student will be reinstated after the removal period.
- If the leadership position from which the student is removed is connected with a credit bearing class, the student may continue to remain enrolled in the class and the sponsor will determine appropriate activities for the student.
- Students must participate in practices for the extracurricular activities while on probation.
- Students may not wear or display identifying team or activity uniforms, attire, or accessories.
- *If competition or performance is scheduled during the summer or on a school holiday (excluding weekends), any days on which the student's team or group actually competes or performs will be counted toward completion of the 20-day probation period.
- "UIL Competition Date" means a day on which the individual or group actually competes or performs in a UIL or Non- UIL sponsored activity when the school is represented.
- If the conduct results in the student's placement in a DAEP, the period of removal will be for the duration of the DAEP placement.
- If the infraction occurs and/or is discovered 60 or less days prior to the end of the school year, the student will be removed from all extracurricular activities and leadership positions for at least 60 school days or UIL Competition dates. The removal days may extend into the next school year.
- When a second or subsequent infraction occurs after the end of the school year, the consequence will go into effect at the conference with the principal and parent/ legal guardian, unless the conference has been forfeited and the principal will determine the start date.
- The student will be removed from all extracurricular activities for the entire up-coming school year.
- Students may not wear or display identifying team or activity uniforms, attire, or accessories.
- Students may not travel with the team or organization, or otherwise act as a representative of the team or organization.
